Robert Bramleigh's Will

Not exactly, sir," replied the lad. "O no, sir."

swered: "Well, sir, she's a sort of ty-four hours. nd took the seat I placed for her.

My visitor removed her gloves and, carefully smoothing them, placed them on the table beside her. She morning, when, if Mz. Bramleigh "I merely meant to then produced from her pocket a should still be living, he would on his large foolscap envelope, from which own responsibility place a trustworthy "Silence, sir! No more of this. large foolscap envelope, from which she drew a piece of paper folded long nurse in charge. The housekeeper ways. This she hauded to me, ex-plaining, in a hard, monotonous opened the door and let us out. "It is all right, Mrs. Churton," I voice, that she had been sent to me maliciously said, as the Doctor wish- asked the attorney, "what occurred?" by her master, Mr. Robert Bramleigh, ed her good-night. "I am quite sat-of Coleman street, who was danger-isfied now. The will will be in my or Coleman street, who was not expected to keeping. By-the-by." I added, look-

Bramleigh, of 559 Coleman street. I give and leave all my houses, lands, services. Signed by me on Tuesday, "Witnesses-James Burn, Margaret

The signature, "Robert Bramleigh," was written in a masculine-looking hand of singular decision and boldpared by some one who had but an sed for such a purpose. The solemn

f the testator's body and soul was an ld form, much in vogue with our old form, much in vogue with our grandfatuers, who generally headed a will with one or two plous phrases.

Mistake No. 2 was as follows: The Doctor had gone upstairs to install his will with one of two plous phrases.

The defined shown to me was bowever, sufficient to give Hannah fall with the housekeeper. Fumbling in the pocket she pulled out a roil bank notes; thrusting tress into my hands, she told me that it was ber of witnesses, and the Principal Begistry of Her Majesty's Court of Probate would have granted letters of the appointment of an executor that appointment of an executor that appointment of an executor that appointment of an executor having been omitted, the ordinary probate could not have been object on the tating in definition of the appointment of an executor having been omitted, the ordinary probate could not have been object on the tating in the probate would have granted eiters of the attesting with the will annexed the appointment of an executor having been omitted, the ordinary probate could not have been object on the tating in the probate would have granted eiters of the grantes understance of the grant (the appointment of an executor baying been omitted, the ordinary probate could not have been only tained), on one of the attesting witnesses making affidavit that the will he presence of himself and the other attesting witness, and that they had at the same time and in the presence of himself and the other attesting witness, and that they had at the same time and in the presence of himself and the other attesting witness, and that they had at the same time and in the presence of himself and the other attesting witness, and that they had at the same time and in the presence of himself and the other attesting witness, and that they had at the same time and in the presence of himself and the other attesting witness, and that they had at the same time and in the presence of himself and the other attesting witness, and that they had at the same time and in the presence of himself and the other attesting witness, and that they had at the defendant one aunt of two min that in this time, in that it trains a pupil to practical, in that it trains a pupil to rate of two min they had at the other points. Then the had not one, of course of the numbers of his new mith they need a rich plant at the presence of himself and murdered a rich plant at the probablity bast then, no doubt, he saw that they had at the other point. But then, no doubt, he saw that they had at the other point. But then, no doubt, he saw that they had at the other point. But then, no doubt, he saw that they had at the other point. But then, no doubt, he saw that they had at the other point. But then, no doubt, he saw that they had at the other point. But then, no doubt, he saw that they had at the other point. But then, no doubt, he saw that they had at the other point. But then, no doubt, he saw that they had at the other point. But then, no doubt, he saw that they had at the other point. But then, no doubt, he saw that they had at the other point. But then, no doubt, he saw the the the numbers of the practical, in that it trains a pupil to a the probab

and other subscribed their same thereto as witnesses.

Now, I am always very particular about wills; I think they are too serious to be settled in a bury. I never will allow a client to execute one until I am convinced that its purport is perfectly understood.

"You are Mrs. Churton, I presume?" I asked.
"You are Mrs. Churton, I presume?" I asked.
"I am," she replied, looking me until him to notes, "And this time, in the State in this direction; hence, the order in which at thought or study is pursued, is quite as important as the external in an adjoint order of the school room. A teacher who has not an orderly mind will is perfectly understood.
"You are Mrs. Churton, I presume?" I asked.
"I am," she replied, looking me until the other two. She same?" I asked.
"I am," she replied, looking me until the severy fall that night. The capon was more than done, and so was the oyster same? I man," she replied, looking me until the capon was more than done, and so was the oyster same?

"I am," she replied, looking me until the support of the school room. A teacher who has not an orderly mind will be successful in this part of public training. They are imitative beliance, "I state the national depth of the school room and an adjoint or the successful in this part of public training. They are imitative beliance, "I state that night. The capon was more than done, and so was the oyster same?

"You are Mrs. Churton, I presume in the other two. She took them from us without saying a during room until here trains from Richmond, where he has gone, I understook. "First will am a adjoint or the successful in this part of public stand, you may see him privately."

"Well, str, you see there were three women, but a trille less than two has not an orderly mind will be successful in this part of public stand, you may see him privately."

"An accurate who has not an orderly mind will be a mean and point in the order in which at thought or suit for suit is purposed to suit may or the suit of suits of the school room. A teacher who has n

felt suspicious that things were not so fair say they should be. I questioned her rather closely, but the only admission I obtained from her was, that she had written the will, but that it was at her master's dictation. I offered to prepare a more formal deep. The had precisely one and a half and rushed one and rushed iefe suspicions that things were some of the present control of the become unconsolities, in which were already that the become unconsolities of the the unconsolities of the become unconsolities of

In when these powers are under command, it is necessary to him who would teach to he will it seeds a majority of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the prestant to settles the price of the volume and people, one can hardly doubt that the subtracted in the prestant to a majority of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the prestant to a majority of the people of Ohio; and judging from the tone of the people of Ohio; and judging from the tone of the prestant to a majority of the people of Ohio; and judging from the tone of the prestant to a majori

requesting that his medical man, Dr. lessly asserted that she had wasted the use of a branch of study in mind the use of a "What will you gain by it?" asked

in. It then became synonymous for know the condition of our people. Be careful to call for COLLERY VOLTARO PLASTE lest you get some worthines imitation. Sold by a wholesafe and retail druggless throughout th Under States sol Canadas, and by WEEKS of FUTLER, Proprietors, Soston, Mass. Ringing the bell, I requested Mrs. admit that she looked grandly tragic churton to summon James Burn and Churton to summon James Burn and as she declaimed these fiery words. I foundation of wise discipline, of the lowest large them by their respectable neighbors, them by their respectable neighbors, a knowledge of the principles at the lowest large through the same that I shall never forget; them by their respectable neighbors, and that is all the same that shall never forget; them by their respectable neighbors. And that is all the lowest large through the same that shall never forget; them by their respectable neighbors. The large through the large t

"What I meant was he was living with his mother, and his aunt—"
"There you go again. You say he was living only with his mother. What do you mean, then, by referring to his aunt ""Phat'll do," broke in the Judge savegey; "never mind his aunt, his avegey; "never mind his aunt, "Bat," "Savagely; "never mind his aunt, "Bat," said Smith, "his aunt was "But," said Smith, "his aunt was," "Said the Judge.

"Never mind, sir, what his aunt was," "Said the Judge.

"Never mind, sir, what his aunt was," "Said the Judge.

"I merely meant to explain that

"The you go again. You say he can say, "I managed such a case bad-ly once, I could easily treat it successfully now," Why should the experience of those who deal with undying minds be ignored more than with there won his hand; savagely; "never mind his aunt, his savegely; "never mind his aunt, "But," said Smith, "his aunt was," said the Judge.

"But," said Smith, "his aunt was was read to look upon, pare as snow, "But," said Smith, "his aunt was," said the Judge.

"Never mind, sir, what his aunt was," said the Judge.

"I merely meant to explain that

"The you go again. You say he can say, "I managed such a case bad-ly once, I could easily treat it suctants the following inscription:

Sarged to the Memory of sand stude of the bag," was for the bear, and attending teachers the remainded of the bag, "and attending teachers' meeting a bore. What wonder that they read the Union the present seed of the said south of the bag, and the trick was discovered." And depression during the past year. A few of the mills have been closed the residue of saids constumed to the said of spun silk, \$550, Sun said good. Estedes this there were consumed of the bag," at the left of the bag, "at the left of the bag," at the said of the bag, "at the said of the bag," at the still the risk of the country, the silk manufacture has passed into common with other industries of the country, the silk manufacture has passed through a period of comparative insactivity and depression during the past year. A fe The value of reeled all consumed

It was in 1798 that John Semphili, a young man, who said he was from ties of mind and heart, win the love of all, but those, also, who are slow of mind and hard of heart. He should have that sympathy for humanity that will lead him to see, under a plenty of money and was able to purchase about one thousand acres of the that will lead him to see, under a should not be about one thousand acres of the caproved of by all the mice assemble. The partial became another popular phrase, and is taken from the fable of the cunning old mouse who suggested that they should hang a bell round the cat's became another popular phrase, and is taken from the fable of the cunning old mouse who suggested that they should hang a bell round the cat's became another popular phrase, and is taken from the fable of the cunning old mouse who suggested that they should hang a bell round the cat's became another popular phrase, and is taken from the fable of the cunning old mouse who suggested that they should hang a bell round the cat's became another popular phrase, and is taken from the fable of the cunning old mouse who suggested that they should hang a bell round the cat's became another popular phrase, and is taken from the fable of the cunning old mouse who suggested that they should hang a bell round the cat's became another popular phrase, and is taken from the fable of the cunning old mouse who suggested that they should hang a bell round the cat's became another popular phrase, and is taken from the fable of the cunning old mouse who suggested that they should hang a bell round the cat's became another popular phrase, and is taken from the fable of the cunning old mouse who suggested that they should hang a bell round the cat's should have a bell to purchase a total course, and the cat's became another popular phrase, and is taken from the fable of the cunning old mouse who suggested that they should hang the extensive operations of the cunning old mouse who suggested that they should have a course of the cunning old mouse who su discouraged enterprise. The partial Baltimore & Ohio R. R. that will lead him to see, under a chase about one thousand acres of the rough exterior, a human soul, with finest soil within a short distance of capacities for enjoyment and suffering, for love and hate, for doing good ing, for love and hate, for doi
